To show our appreciation for the hours of volunteer service, we have created an incentive program. Organizations can sign up and we will keep a log of hours donated. These hours can be traded for facility rentals! Call us today!

Rosemary Weigel Frostbite 5K

Our race begins near twilight in Glen Miller Park, setting the scene for a beautiful evening run through the park as thousands of luminaries light the way.

For the area's runners, it is the chance to be able to compete in the last race in the Wayne County Challenge, bringing to an end the year's eight 5K race commitment. For the walkers, it's a 5K like no other.

Being the only evening run/walk in the Wayne County Challenge gives us the perfect backdrop to light the park with luminaries, play holiday music throughout the race, and serve hot chocolate.

With us, you're risking Frostbite, but it's an experience you don't want to miss.

The Rosemary Weigel Frostbite 5K is special to the Richmond Parks and Recreation staff. Our race is named after Rosemary, a long-time park employee, who passed away February 2012 after battling cancer. We can think of no better way to keep her spirit alive than to name our 5K after her. She was always a fixture at the races and very involved in our programs.
